

PUBLIC NOTICE

WEST DAM PUBLIC MEETING

A public meeting will be held on Thursday October 1st, at from 6:00 pm to 7:00 pm in the Custer High School Theater regarding the future of West Dam.

Banner Associates, Inc. has been working with city staff on engineering solutions to the West Dam issue and will give a power point presentation of the options available, the cost of the various options, and the state and federal regulations that govern the decisions that have been made up to this point. The facts presented will guide the City in budgeting and implementing improvements to West Dam.

The public is invited and time will be allotted for questions from the audience. Alternative ideas or concepts offered by the public are beyond the scope of this presentation and can be submitted to city staff in writing for due consideration. For those who cannot attend the meeting comments or suggestions may be submitted to City Hall at any time.

Informational packets are available on the City's web site at www.custer.govoffice.com/, and will also be available at the public meeting.
